O'Rourke Team Scores Near Perfect Game

Lou Ann O'Rourke & Geoff Hampson
Mark Jacobus & Mike Passell

Lou Ann O'Rourke's team entered the Thursday Evening Board-A-Match Teams thinking it would be just another night at the bridge table. At the end of the session, the team compared their cards to find out that they won 23 out of the 24 boards. In fact, they had a chance at a perfect score of 24 out of 24 except for a fluke distribution which caused an otherwise good slam to go down. The other team did not bid the slam resulting in a loss on the board for the O'Rourke Team.

The O'Rourke Team also won the Fri-Sat KO VI Teams today. Congratulations!

Gene Hoover Memorial Strati-Flighted Swiss Teams

This Double Session is named in honor of Gene Hoover, a member of the Clear Lake and Pasadena Bridge clubs. Gene passed away in May 2008. He was 93 years old and he can best be described as a true gentleman. He had 4898 master points. In April 2005, Gene moved from Fairfax Va. to Houston to live with his daughter in the Clear Lake area. He played and directed for many years at three Fairfax area bridge clubs. He was certainly loved and respected by the bridge community.

Jim Woodward Appreciation Stratified Open Pairs

Jim Woodward is one of those unpaid volunteers who do their jobs so efficiently they never receive the appreciation they deserve. As Unit 174 Treasurer, Jim is responsible for preparing monthly financial statements and budgets that provide the information the Board of Directors needs to manage the Unit's business in a fiscally responsible manner. He attends the monthly Board meeting to present this information. He writes all of the Unit's checks, and deposits all of the Unit's receipts. This is quite onerous during the annual regional tournament and four annual sectionals. He coordinates the annual financial audit, and files the federal income tax filings.

After a successful 30-year career with Shell in finance, Jim is now practicing law. Jim brings a lot of expertise to the Unit, but what makes him so valuable is his attitude. He is very easy to work with and bends over backward to help the Board members.

Smiley Faces

You may have noticed the new yellow Smiley Face cards in your bidding boxes. Unit 174 has provided these to give players an easy, non-confrontational way of letting partner/opponents know that their behavior is not conforming to the Zero Tolerance guidelines.

If you feel the situation warrants, simply pull out the card and lay it on the table for a short period. If the behavior doesn't stop, then call the director. It really is a good way to lessen the tension at the table.

Bianchi-King Tie for First Place in FRIDAY STRATIFIED PAIRS

Anthony Bianchi and Gary King retired to the lobby bar thinking they were in second place. After a quick drink, they returned to the playing area to find that a score correction resulted in creating a tie for 1st/2nd overall. The interesting fact about this story is that the scores for the two pairs were identical - 202 in the afternoon and 182 in the evening. Statistically amazing!
