More Unit 176 Features

I was born in Ruston, Louisiana. My family moved to Pascagoula, Mississippi when I was 10 years old. I attended undergraduate and law school at the University of Mississippi. Since 1968 I have

Bob Butterfield

practiced law with the law firm of Gardere Wynne & Sewell LLP, a large regional firm based in Dallas. I was a partner of the firm from 1976 until 2005 when I retired and became "of counsel" to the firm. I specialized in corporate and securities matters, handling a wide variety of mergers, acquisitions, securities offerings and other matters.

I have been married to my wife Julie, who is also a duplicate bridge player, for 39 years. We have two adult children.

I have been a member of the Board of Directors of Unit 176 since 2006 and served as President during the 2007 - 2008 Board year. Since 2008, I have been a member of the Board of Directors of

District 16, for which I am also serving as Executive Secretary.

I have been an

active community volunteer throughout my career, serving on the Board of The 500 Inc. (of which my wife and I were President), the Dallas Theater Center, Shakespeare Festival of Dallas and Gryphon Players, as well as being an active United Way of Metropolitan Dallas volunteer (serving as a member of Agency Review Panels and of the Stewardship Review Committee).

Carolyn Bradford

I have served as Secretary of the Unit for the last two years.

My husband and I have lived in Lake Highlands for 18 years and we both grew up in the White Rock area. This is my 3rd year on the Board and it has been both an enjoyable and learning experience for behind the scenes of the bridge world. Competitive bridge is my avocation since retiring and I play as often as possible with several regular partners.

Unit 176 Features

Steve Birnbaum

I'm Steve Birnbaum and I'm currently serving my third year on the Unit 176 Board. I was born and raised in Dallas, am a realtor, and I'm married with two grown kids. I've been playing bridge for 10 years now.

(Tomi's added note: Steve sent me this short and sweet bio, but he is far too modest. He forgot to mention that he has served for those three years as our membership chairman. When you get an e-mail reminding you or unit games and tournaments, those are from Steve. He has cleaned up and expanded our database and when we needed to sure all members were in good status in order to qualify for a new tournament, Steve went to work. Our communications are constantly improving, thanks to Steve.)

Tomi FitzGerald

I've been on the Unit 176 Board of Directors for 4 years now -- I've been Secretary, Vice-President and this year I am serving as the President. I also write the Unit column for the Scorecard. I moved here 10 years ago from New Orleans and go back often to visit my daughter and grandchildren. I really enjoyed seeing all my old friends and partners at the Summer Nationals this year. (If my picture didn't have to be cropped, you'll probably also notice that the Super Bowl made me a VERY happy camper!! Old Saints fans never die, although sometimes I thought I might before I would get to see a Super Bowl win from my boys.) I'm also a

rabid Mavericks fan and go to as many games as I can during the season. My honey Bryan Storey and I like to travel and since both of us play, we attend several regionals and nationals each year. I'm retired now, so I'm hoping to play even more! I think one of the most important things we can do as board members is to be accessible to the players. I always try to introduce myself at the table and I hope you will do the same. We can all do a much better job representing you when we know your opinions, so please voice them!
