Need to publish information in the *Bulletin*? See Mark Hatten at the Partnership Desk.

## More Unit 176 Board Features

### Leslie Conant

I grew up in Northern California, and graduated from Stanford University in 1974. I moved to Chicago immediately after graduation to pursue an MBA at the University of Chicago, and spent the next 5 years as a corporate banker. George (husband) and I met on a blind date, and moved to Dallas with his job. I worked in the corporate world until the birth of our first child, and then opened a children's clothing store, which I owned for 13 years. I "retired" because I thought I needed to be home saying, no". My

third and youngest child is now a senior at TCU. I've been playing duplicate bridge for 4 years, and have loved the new friendships and the challenges of the game.

### Doug Tucker

I'm a Dallas boy, born and raised – graduated Southern Methodist University (class of '83) with a Bachelor's in Electrical Engineering. I began playing Bridge as my post-graduation project while starting my career at Texas Instruments. Life got in the way of my Bridge game for quite a while, but getting "prematurely retired" in the Telecom Meltdown of 2000 gave me the opportunity to get more involved with Bridge.

I got some great experience directing games at several of the local Bridge clubs, eventually graduating to hosting Unit events and culminating with election to the Unit 176 Board of Directors. Besides my Bridge game, now vying for my attention is a two-career lifestyle: I'm a software engineer and database administrator for RenWeb (a growing software company), and I'm an ordained minister serving the Chisholm Trail Congregation of Jehovah's Witnesses in Plano,

### Susan Flick

I am a native of New Jersey which I have been told on many occasions is obvious from the minute that I open my mouth! I earned a B.S. from Georgetown University. I have been married 33 years to my husband Tim. We have one daughter. After having made my home in 8 states and one foreign country, I landed in Dallas 7 years ago, bringing with me years of sales

and community volunteer experience. When I am not indulging my bridge addiction at the various studios around town, you can find me ringside, cheering on my husband as he competes in AKC dog agility. I am happy to be a member of the board of Unit 176 and I hope anyone with questions, concerns, or comments will please come speak with me.

## Host Unit 176 Features

### Charlie Price - Unit 176 Board and District 16 President

I began playing bridge in college in Weatherford, Oklahoma, in the middle 1960's. Following a stint in the Navy, I moved to Commerce, Texas, where I earned Bachelor's, Master's, and Doctorate degrees at Texas A & M - Commerce in the field of education. While I was a student there, I participated in the National Collegiate Bridge Championship. Shortly after graduation from college I earned my Life Master's in bridge. After a fifteen year hiatus from bridge I resumed playing in the early 1990's. I served on the board

of Unit 176 for 10 1/2 years and was president for 2 years. I was president of District 16 for one year and served as the financial chairperson for the Dallas Spring National tourna-

ment in 1996. I served as Executive Secretary for the District 16 board for several years. I am currently the district tournament chairperson and the president.

Several years ago, I retired from the Texas public school system after thirty years as administrator and moved to the Lake Texoma area with my wife Melanie. I am now a Professor of Education at Southeastern Oklahoma State University living in the southern area of Sherman.

### David Greims - Unit 176 Board

I am a retired telephone engineer after 31 years service with Southwestern Bell. Currently, I do various odd jobs including handyman work and wall covering installation. I'm also the guy that transports and sets up tables and equipment for our Dallas bridge tournaments. I am presently completing my second year as a member of the Dallas Bridge Association Board of Directors.

I was born in Springvale, Maine and moved to the Dallas area in 1967. I am married with one son and a three year old grandson. I truly enjoy the competitive challenge of duplicate bridge, along with the many new friends and acquaintances I have because of bridge. I also have a great love for the outdoors, including fishing, archery, golf, volunteering at the Dallas Arboretum, and walking my dog, Addy.

*Dorsey's Saying For Wednesday ...*

"If you worry about yesterday's failures, then today's successes will be few."
