BCOH Directors and Board Saturday Side Game Series

Thank you to the dedicated game directors and Board of Directors at The Bridge Club of Houston who make playing at the club an outstanding experience. You are appreciated!

Mary Anne Woessner

Marsha Bernstein
Strati-Flighted Open Pairs

When Marsha took up duplicate bridge she did so with gusto. Early in her bridge career, she ran for and was elected to the Unit 174 Board of Directors where she served for 3 years. Marsha accepted a very important role as chairman of fund raising for both of the NABCs hosted by Houston. She was able to acquire strong financial backing from the sponsors she developed for each of these events. In recognition of her contributions, Marsha was appointed to the National Charity Committee and attends all of the committee meetings at the Nationals. Marsha always gives 100 percent in time and effort to any aspect of bridge. As Marsha says, "This is what I do." Not only does she contribute to every phase of bridge she is an outstanding model of what a bridge player should be –gracious and complimentary to her opponents and supportive and pleasant to her partner.

Esta Van Zandt
Compact KO Teams

Esta was a force in Houston Bridge for many years. She was one of the few players to achieve the rank of Grand Life Master which requires accumulation of 10,000 master points and a victory in an unrestricted National event. Esta had more than 11,000 points and one the National Mixed Pairs championship in 1981 playing with Jim Zimmerman. She was usually a top contender in National events, finishing in second place in the 1973 Women's Board-A-Match Teams.

Born in India, Esta emigrated to the U.S. as a teenager. When she took up bridge she quickly became one of the game's most highly-skilled and popular players. She was honored in 1974 by being named to the ACBL Goodwill Committee. Many in Houston's bridge community remember her as a friend and mentor. Her presence is missed.

Start thinking now about which special person you would like to sponsor at the 2011 Houston Regional . . .
