### Milton Freedman KO V

Milton Freedman was a man who made the world a better place because he was in it. The sparkle in his eyes showed his love for life. His business genius was remarkable and in his spare time he enjoyed fishing off the Texas coast, but most of all, he loved to play bridge. He was a great player who was always willing to help others. His wife, Betty, four children, 13 grandchildren and five great-grandkids were the light of Milton's life. Everyone who knew Milton realize how much he is missed.

### Yvette Jackson Aft/EveSide Game Series

Yvette Jackson was an avid bridge player, and very active in the 90's. As a part of a team with her husband Dan and children Sandy & Richard, she won Swiss Team events in Houston and San Diego. In her later years she was a huge supporter of family bridge players: Dan, Joan, Sandy and Richard Jackson and Evy, Debra and Mark Sherman. She died on November 15, 2009 at the age of 92.

Carol Wood devoted many years of volunteer service to Unit 174, last serving as President of the Unit during the 1990's. In her time of service sectional event location facilities were substantially upgraded and the Unit's Regional Tournament began its long association with the Marriott Hotel and its predecessor owners. This event is dedicated to Carol's memory for her hard work on behalf of Unit 174, her promotion of duplicate bridge, and her ready smile and kind words to each and every Unit member and tournament guest.

**Smiley Faces**

You may have noticed the yellow Smiley Face cards in your bidding boxes. Unit 174 has provided these to give players an easy, non-confrontational way of letting partner/opponents know that their behavior is not conforming to the Zero Tolerance guidelines. If you feel the situation warrants, simply pull out the card and lay it on the table for a short period. If the behavior doesn't stop, then call the director. It really is a good way to lessen the tension at the table.
