**Army 2nd Battalion, 8th Calvary
Stratified Open Pairs**

This event honors the brave young men and women of the U.S. Army's 2nd Battalion, 8th Calvary Regiment (2-8 CAV). This battalion is commanded by Lieutenant Colonel Mark E. Solomons, the son of Unit 174 President Pat Levy. In January 2010, the men and women returned to home base Fort Hood after an extended deployment in Iraq. In Iraq, the soldiers and officers participated in a successful counter-insurgency campaign. This was Lt. Col. Solomons' third deployment to Iraq. We salute the battalion, whose motto is "HONOR AND COURAGE", for their many sacrifices on our behalf.

**Donna Sparks
Bracketed KO II**

Donna Spark's love for the game of bridge is second only to her boundless energy and willingness to volunteer when something needs to be done. A few years ago she did just that by taking over the job of Regional Photographer. This is a thankless job requiring many late hours night after night while still trying to take tricks at the bridge table during the day. Bulletin editors around the country would LOVE to have her as their photographer. When she is not taking pictures of the winners, she is working diligently at the partnership desk helping to form future winning pairs. Thanks, Donna, for all that you do to make the Houston Regional that much better!

Smiley Faces

You may have noticed the yellow Smiley Face cards in your bidding boxes. Unit 174 has provided these to give players an easy, non-confrontational way of letting partner/opponents know that their behavior is not conforming to the Zero Tolerance guidelines.

If you feel the situation warrants, simply pull out the card and lay it on the table for a short period. If the behavior doesn't stop, then call the director. It really is a good way to lessen the tension at the table.

**Sally Wheeler
Afternoon & Evening
Side Series**

Several years ago, a group from the Houston Bridge Club, wanted to go further than the Audrey Grant stage in our game. Sally Wheeler volunteered to lead a series of lessons that opened up a whole new world for us. Since then, Sally has continued to be our inspiration, mentor, teacher, and even referee. Always taking time for any question. She is genuinely and proactively interested in our progress and successes. We honor Sally Wheeler today as an example of how the experts can pass their love of bridge on to the novices around them.
