### Nancy Strohmer Wins 2019 Oswald and James Jacoby Service Award

Scott Humphry, Chairman of District 16 Oswald & James Jacoby Service Award, presented the Oswald & James Jacoby Service Award for 2019 to Nancy Strohmer at the Dallas Labor Day Regional. The award, established in 1982, is given annually for outstanding contribution to the promotion of bridge in ACBL District 16 and is announced at the Labor Day Regional Tournament. The honor is given to someone who has worked diligently at the unit level and has risen to recognition at the district level.

ld

Nancy was born in Tulsa Oklahoma and raised in an Air Force Family. Her mother was a social bridge player and taught Nancy when she was in her late 30's. In 2003 Nancy and Hans were on a cruise that introduced them to duplicate bridge. In 2006, they started playing on a regular basis and they were both hooked.

Nancy has served on the unit 174 board for the many years. In that time she has served as President, Vice President, Secretary, Publicity Chair, Charity Coordinator, ABA/ACBL Pair Game Chair, and she co-chaired and chaired tourna-

ments including the 2016 and 2018 Lone Star Regional, one of the largest in the ACBL. Besides these responsibilities, in 2012 Nancy created a newsletter for Unit 174 website that included Events and Classes. She has continued as editor until 2018 when she passed the baton.

Additionally, Nancy is a lifetime member of the ACBL National Goodwill Committee, and in 2016 was elected to the ACBL National Charity Foundation. She currently serves as District 16's 1st Vice-President, Unit 174's President, and 2018 chair for our Lone Star Regional.

She was selected for Unit 174's 2018 Texas Star Award and was instrumental in establishing the D16 Teacher Appreciation Day.

At unit 174 tournaments the board of Unit 174 wears a large button that says,"Ask Me", and players will ask! It's a great way to communicate with people in our unit. However, our players seem to think Nancy's is permanent. If she doesn't have an answer at the time she will have it within an hour. Nancy is dedicated to the growth of our unit, and working with youth to learn bridge including sending her grandchildren to bridge camps, and promoting Mini Bridge. Every single week you will see Nancy at different bridge clubs and community centers in Houston, none of them close to one another. She will always have a huge smile, making players feel at home and ready to help. She always goes the extra mile. If we just had a few more 1983 Joyce Cook, Houston Nancys!

### **North American Pairs District Final**

**Roxie Tom** 

**District 16** NAP Coordinator

Make your plans to play in the NAP District 16 finals in San Antonio, January 18 and 19. The district board voted to allow everyone who qualifies at the club level to play in the district final. District finals award gold points for section firsts and overalls. Flight C is 25% gold for overalls. Other masterpoints in all flights are red.

District 16 placed 2<sup>nd</sup> in the number of tables in play for Flt B at the club level qualifications and received the enhanced subsidy to Nationals in Flight B for the 2019-2020 North American Pairs in Columbus, OH.

There will be three pairs from A, four from B and four from flight C who will qualify to represent District 16 at the Columbus Spring Nationals in March. The district is adding money to the amount ACBL awards. The total stipend for each qualifying player in each pair is as follows:

Flight A: 1st \$800 2nd \$500 3rd \$300 Flight B: 1st \$800 2nd \$800 3rd \$500 4th \$300 Flight C: 1st \$800 2nd \$500 3rd \$300 4th \$200

I begin with a wish that all our friends in Southeast Texas who were hit so hard by Tropical Storm Imelda have recovered their peace and property. When life and limb are threatened, it is a small matter to think about Regionals, but, nonetheless, I must note that Unit 201 had to cancel its Beaumont Regional scheduled to begin on September 23. As you may know, most units "live" on the revenue generated from a regional. Many units only have regionals scheduled every three or four years. (Districts "own" the regionals and allocate them to units; very small units have no regionals allocated to them and rely on sectionals for their ongoing financial needs). The District Board is exploring ways we can help Unit 201

For the first time in many years, our last Board meeting (held on August 31 in Richardson during the Regional) was quite brief, indeed without controversy! Our minutes will be available for review on the D16 website, as always. At the meeting,

it was announced that the ACBL Board of Governors representatives from District 16 are Betty Starzec, Bob Morris and Dan Leightman. You will recall that the Board of Governors is being re-focused by the ACBL Board of Directors to deal with bridge-related matters, freeing the BOD to deal with strategy and governance.

You have probably also read in the ACBL Bulletin about the ACBL's elimination of the local positions of Unit Recorder and Unit Disciplinary Chair. The office of the National Recorder has been busy clarifying the roll-out of the expanded role of the districts, especially the District Disciplinary Chair and District Recorder, in dealing with complaints of violations,

Scorecard reminder: We are still in a trial period for evaluating Scorecard distribution methods. If your Unit has had a change of preference, you may make a different choice, i.e., to go digital instead of paper copy or vice versa. Please just let either Jim Bauer or me know.

Wishing you all a healthy and happy holiday season,

SEE YOU AT THE TABLE!

ACBL and the ACBL Educational Foundation have jointly launched a new website TryBridge.org which is designed to attract people to learn and play bridge. It went live in October and early indications are that it will be successful.

The key to long term success will be linking these people to teachers who offer lessons to people who are new to bridge or returning after a long hiatus and then inviting them to play after the lessons. ACBL has updated the "find a teacher" menu on their website so teachers should provide current information to be made available for these new people.

2019 is shaping up to be a good year for ACBL. Financially it will be a success as expenses are down and revenues are up. A major project Live for Clubs is nearing completion and the implementation phase is underway. This system has been designed to place the masterpoint calculations and reporting as well as the club financial reporting system in the cloud to replace those functions in ACBL Score. Players will be able to receive an e-mail containing their results just a Live does that for tournaments. It will also offer hand records where clubs have them and analysis of those boards.

Development is underway to replace the similar ACBL Score systems used for tournaments and that should be complete in early 2021.

The Ed Foundation is beginning a pilot program to bring bridge to our active military forces. Patty Tucker who developed Learn Bridge in a Day is working with Col. Lon Sunshine on the pilot. Greg Johnson from Clear Lake area of Houston is working to pilot bridge with Boys and Girls Clubs in the Chicago area. Greg is a retired astronaut and Ed Foundation trustee.

I'm busy preparing for board meetings of both ACBL and the Ed Foundation in San Francisco. Both organizations are in better position this year and are poised for good years in 2020.

As we enter the Holiday Season, I want to wish each of you a joyous holiday period as you celebrate with friends, family and the bridge community. A big "Thank You" to all of our volunteers who serve in the clubs, units and at the district and national levels. You are critical to the success of bridge and I appreciate all you do!

In addition to financial stipends for the top finishers, all the participants enjoy the best competition available on the district calendar. Any members who qualify to go to the nationals, check with your unit to see if they provide a stipend.

Many thanks to all the Unit Coordinators for helping to promote this great event. If you have any questions please email

#### **District 16 Teacher of the Year** Nominations Welcomed by Buck Buchanan

Are you an improving I/N player? Have you taken lessons from a teacher who has inspired you and trained you well for competition.

A club owner or director? You've noticed a steady influx of committed new players coming from the classroom of a highly regarded teacher in your area. A unit board member? You have a go-to teacher who not only grooms new players but also takes responsibilitiy for unit educational programs.

We'd like to hear about this special teacher! Here's why: District 16 proudly honors and supports its bridge teachers. New players, many of whom become our students, are the lifeblood of the game, and the teachers who nurture and prepare them deserve our appreciation. In this spirit, the Teacher of the Year award is given annually to an outstanding District teacher.

Please consider nominating your favorite teacher for D16 Teacher of the year. It's simple. All it takes is a brief statement of why you think this individual deserves the honor.

Please email your nomination to the selection committee. (Don't forget to include contact info for your nominee.) rcb722322@gmail.com

Nominees will be asked to provide a more complete description of their teaching activities and to have it in our hands by December 31, 2019. The 2020 Teacher of the Year award will be presented at the Houston Lone Star regional in early 2020.

### Jeopardy James Holzhauer

Good luck to James Holzhauer, aka "Jeopardy James", as he begins the Tournament of Champions on Jeopardy the week of Nov 4. Holzhauer set many records during 33 appearances including the 12 highest one day scores.

James has played bridge for a few years and aspires to master the game . He is proving to be a great spokesman for the games and discussed it during one player interview in a Jeopardy episode.

Another young Man who has taken a fancy to bridge, John McAllister, has published a series of podcasts on bridge, "The Setting Trick: Conversations with World Class Bridge Players". Although Holzhauer is not yet a world class player he has achieved great success on quiz shows and sports betting and his approach to developing his bridge game is well worth listening to. So John made an exception. You can access it at <a href="https://soundcloud.com/john-mcallister-221670174/a-conversation-with-jeopardy">https://soundcloud.com/john-mcallister-221670174/a-conversation-with-jeopardy</a> . Or just google "the setting trick" and Holzhauer.

One thing that impressed me about Holzhauer's approach is he prepared by going to the library and reading children's books. I observed that books for young people really stress the fundamentals and advanced concepts are based on fundamentals. Holzhauer agreed with this when I met him at the Las Vegas NABC. Most mistakes I see in bridge, backgammon and chemistry are steeped in poor fundamentals. Thanks James and good luck.

Ed note. As we went to press Holzhauer won his first round game but one of his opponents beat him to the buzzer when the answer, er I mean question Alex, was "what is bridge"

There are three main parts of bridge, bidding defense and declarer play. Bridge players are a very educated group. Information is obtained by playing, observing, reading. and lessons But everything starts with the fundamentals. So whether you get them from a series of lessons, reading or playing it is best to grasp them in an organized form

There are many excellent books on bidding. I started with Goren. More than learning a system the book explained the concepts and the frame work. Opening, responses and continuations. Strong weak and constructive. Forcing invitational and signoffs.

Goren's approach was standard American but the game has evolved with 2 over 1 and there are many excellent books that will do. The best system to play is the same one your partner plays! Now I can't stress enough how valuable a complete system is . Whatever conventions you add should fit with rest of the system.

My generation read Watkins on card play and it is a true classic. It is the book that "Jeopardy James " Holzhauer is reading and his Jeopardy success has been somewhat predicated on reading good fundamental books. There are many good books but you can't go wrong with Watson.

For the advancing player Eddie Kantar wrote the most essential book on defense the big red one. He has many.

For the advancing player there was nothing more illuminating than Killing defense at Bridge by Hugh Kelsey . Whenever my game slips I return to it.

Next issue I will explore watching bridge both online and kibitzing the great players.

Cliff Smith and Clint Pruett both made Life Master Friday at the Richardson Regional playing in the Swiss. They met in college in 1968 and learned bridge together. They last played in 1969 until last fall when they connected after 50 years. They began to play again after they retired and now they have reached this milestone together. Took a while!

### **Clean Sweep by Ken Schutze**

Congratulations to Ken Schutze of Austin who swept the 4 day September sectional in Austin.

Ken won both one session pair games on Thursday and Friday. Then he won the 2 session team games on both Saturday and Sunday. Ken won 64.37 points, quite a total for a sectional. He performed the feat with three different partners!

## Be a Unit Photographer! *by Julie Mckenna*

Taking pictures for Unit 207 is fun! Seeing all the happy faces at Regionals and Sectionals is great.

Here are some tips and tricks that I have learned since I started:

• The best camera is the one you have! I use an iphone to photograph the photos. Whatever camera you have will work.

• Find a suitable spot to take the pictures. You don't want a background that is too busy or an area that will distract from the participants.

• Try to find an area with good lighting to show everyone's face. Everyone looks better in good light.

• When taking pictures of teams, have the two tallest people sit down and have the other two stand behind them.

• Try to get the participants to smile or even laugh!

• After taking the photo ask participants to look at the picture to be sure that they are pleased. Make sure that their eyes are open, collars down, happy faces.

• Be sure to write down everyone's name so that they can be

This will be my last article for The Scorecard as this is my last year on the board for Unit 172. I hope you have enjoyed reading my articles as much as I have enjoyed writing them.

The New Braunfels Sectional was a success with table count up about 20 tables over the previous year. The Election Sectional will be in the middle of October and the Non-Life Masters tournament will be held at the Fiesta BC in November.

Most of the players in Unit 172 are intermediate level players who struggle daily to understand and enjoy this challenging game we play. I recently asked some of the top players in the Unit why they always seem to do well regardless of who they play with. They all agreed that the principle reason is the time they have spent playing bridge. They have seen similar bidding situations and card play combinations in the past often enough that they have learned how to bid and play better than the average player.

success in every game you play.' Now if we can only remember that as we suffer.

For my final column, I thought I would interview one of the stars of Unit 172, Ira Hessel. Ira was born in Brooklyn (as if you couldn't tell) and graduated from CCNY. He then attended graduate school at the University of Texas in Austin 1) because he did not want to go to graduate school in New York and 2) they offered him the most money. Ira obtained his PhD in Chemistry. His field was synthesis of natural products. After graduating he taught at UTSA retired and went on the work in creating filters and protective lenses at a local chemistry company. He has four patents in photo-protective chemicals.

He learned the game of bridge from his parents in NYC and has been playing the game for about 45 years having achieved Platinum Life Master with around 17,000 points currently. He has also been president of the district 16 and has played with top level players like Bart Bramley and Bob Hamman, a founding member of the Dallas Aces. He has come in second four times at the Nationals. Even with those accomplishments, he has at times become discouraged like the rest of us. When he had about 7500 points, he told a friend at a NABC that he would never be a platinum LM ( 10,000) because he wanted to be a Grand LM(10,000 with a NABC win) and decided to quit the game before 10K. That day was one of the days he came in second in a Nationals and even thoughthe hit 10,000 he keeps trying.

about the game of bridge. He most likes the intellectual challenge of the game and the support system among the players. Every where he gores in the country (and Canada) he has close friends. He admires the fact that all players are willing to help each other whatever their need. Many Top level players are almost always willing to help the newer players learn the game. Although he likes winning better than losing, what he hates way worse than losing is not playing.

His advice to everyone is to process the game: Study the results from each game and each hand to determine where to improve. Always continue learning: read books on the game and talk to better players. Finally, think about what you need to do to improve by even one percentage point a year whether it is in bidding, card play or simply reducing your anxiety over the game. There is a Buddhist principle along this line: "The path is the goal".

Unit News (www.acblunit174.org for all tournament flyers and club pages): We are extremely proud to report that Nancy Strohmer is this year's recipient of the Oswald and James Jacoby Service Award, which is District 16's premier service award for volunteer service. Nancy is more than deserving for her past-and continuing-service to Unit 174, District 16, and the ACBL, where she serves as VP of the Charity Committee and 1st VP of the District Executive Committee. Important milestones mark her past service, including obtaining \$30,000 in grant money for the District in 2014 and more to come in 2021! Her marketing skills and efforts helped to bring the Lone Star Regional back over 3,000 tables during her unit presidency and six years on the Board She was also instrumental in establishing the D16 Teacher Appreciation Day. We don't know what we would do without this spirited, creative, and selfless woman!

New Growth Efforts: Our Unit's Board spent considerable time and effort on a concept we hope will increase our new membership and retention. A "Social Duplicate Bridge Event" was scheduled for our three largest clubs on the same date. A recent tropical storm and its flooding changed plans for two of the clubs, but the Clear Lake Duplicate Club was able to follow through with success! (See their report below.) We are looking forward to more activities like this as we continue our neverending efforts to bring in potential members, welcome newcomers, test new events, and increase membership.

*Upcoming STaC:* December 16-22 is the date we have a rescheduled Sectional Tournament at Clubs event, we will close out the year with that–and parties!

Our Lone Star Regional 2020 for February 3-9, is again at the Marriott Houston Westchase (713-978-7400, \$119, Booking Code LSR2020, cut off 1/24/20). We think this will be our best Regional ever, so get your rooms and make plans now. The movie "Aces & Knaves" will be shown on Saturday evening. We will again have those ever popular daily Bracketed Swiss games and plenty of Gold Rush opportunities, along with all the regular events. We will also repeat the Mini-Soloway KO events for teams with 1200+ MP average. We expect several highly accomplished players in this event. We willalso again offer the Director's Refresher Class. Sam Khayatt's hospitality will be the best, and Tournament Chairs Lauri Laufman and Jack LaVigne are ready to make sure this is our best ever!

#### Westside Bridge Academy,

westsidebridgeacademy.com, publishes a monthly newsletter to advise of its activities and happenings, and Bert Onstott maintains a very active Web page for the club. It is one of the most active clubs in the unit and regularly hosts 499er tournaments (last was September 12-15) and keeps a full class schedule with teachers like Gary King and Terry Currie. Sundays are full with an Open and I/N game at 1 and Swiss Teams at 6. They are very successful with events such as LM Milestone Parties, where reservations are required, and the table count is often as high as 50! This is an excellent way to get those table counts up, and the players always love the food! Keep up the good

of Houston Bridge Club (www.bridgeclubofhouston.com) is having success with its Thursday night game run by Sam Khayatt, who furnishes pizza once a month! (We know you can get bridge players to come for free food!) It's very difficult to get bridge players out at night in Houston, for a variety of reasons, but Sam has persevered at their beautiful new facility, and it's paying off. Sometimes you just have to keep on keeping on! Good work, Sam!

work!

**Clear Lake Duplicate Bridge Club** held two Halloween Parties with food and prizes for costumes! They had a huge success with their recent "Social Duplicate Event" to introduce new and social players to duplicate bridge. They filled many tables and have already obtained new members! They plan to repeat the event, which was held in two parts: in one room a supervised game run by Evvie Gilbert included 21 social guests; in the other room Dave Glandorf introduced 12 new players to basics with the session ending with bidding, play, and scoring! Congrats!

New 70% Accomplishments: In Westside Bridge Academy's Open Games, Joe Quinn and Tom Breed scored 70.52% on 8/2; David Crooks and Bill Kiehnhoff a 73.56% on 8/13; W. Lease and L. Laird had a 72% on 8/14; Ralph Herz and Bill Kiehnhoff had a 70.55% on 8/15; Timucin Erkoc and Joe Quinn had a 70/31% on 8/27; Mary Ann Murray and Walt Thomas had a 70.54% on 9/6; Joe Quinn and Shawn Quinn posted a 73.08% on 9/16; and Gary King and Clif Rice had a 71.29% game on 9/30. In the I/N games, Viki Magriso and Gulten Burdett had a 79.17% on 8/13; and Wynette Stuntz and Marilyn Beal had a 77.08% on 9/10. Clear Lake BC reports that Arthur Giovannangeli and William Houck had a 71.76% game on 6/20; and William Smith and Charles Hilding had a 71.58% on 8/30. At BcoH, on 8/15, Bill Daniel and Carol McCord had a 70.83% in the morning game, and Sally Wheeler and Buddy Hanby had a 72.89% in the evening game. Finally, at the Forest Club game on 8/27, Lynnda Paukune and Sheila Harrison had a 70.65% game. Congratulations to all!

has faded into a burst of cool weather and, at last, the arrival of Fall. It's hard to believe that by the time that you read this Halloween will have passed and Thanksgiving, Hanukkah, and Christmas will soon follow. Since many will be traveling to visit family and friends, I wish all a very happy and safe holiday season.

Once more our Labor Day Regional was a success and we owe it all to our two co-chairmen, Ed Yetter and Tomi Storey. Please congratulate them on another job well done. For the third year at the Regional, Robbie Ogle has been in charge of the IN reception on Friday between the afternoon and evening sessions. As usual the food was delicious and everyone enjoyed it. Many thanks to Robbie.

The Board visited Waxahachie's Bridge Club on Tuesday, September 17th for an evening game. The venue, a Boy Scout log cabin, is so fun. The Board always enjoys these visits because for many of our out-lying clubs, we only see the members at the tournaments. Many thanks to Waxahachie for hosting us.

Coming up October 17th is a Unit Team game at Dorsey's Bridge Club at 6:30 pm, and on Friday, November 15th is a unit pairs game at all the clubs. Our Dallas Fall Sectional will be November 7th-10th at the Richardson Civic Center. The game times are 10:00 am and 2:30 pm for both pairs and team games. Please add these to your calendars and join the fun.

Last but not least, Susan Flick will be chairing our Holiday Unit Game Party on Sunday, December 8th at the Richardson Civic Center. Once again, it is free to all members of Unit 176. We are having our usual, traditional holiday menu and door prizes. Lunch will be served at noon and the game will start at 1:00 pm. Please sign up at your local club promptly because last year we had 88 tables attend. Once again we are asking that everyone donate to the North Texas Food Bank. Last year our unit was so very generous, and we hope for the same this year. Bless you!

All of these upcoming events are chaired by dear volunteers who donate their valuable time so that Unit 176 runs smoothly. I wish them all a special holiday toast and always look forward to seeing them at the bridge table.

Lone Star Bridge Cub, www.lonestarbridgeclub.org, meets at St. Paul United Methodist Church in Conroe with open games on Mondays at noon and Thursdays at 10:30 a.m. Their new 299er game on the second Tuesday of each month continues to be successful, Jeff Kroll holds bridge Q&A sessions for the open games he plays. Apple II Duplicate Bridge Club Manager Brigitte Sandifer reports that their Friday \$3 game at Tracy Gee Community Center continues to average 36 tables, and they are planning their holiday party for Dec. 13.

*In Remembrance*: Nelda Gay passed away on 8/29, and Betsy Birkett left us on 9/19. Our prayers and support go out to their families and friends. Till next time . . . .

"Never believe everything your oncologist tells you!" says Mickey Tryon of Arlington. Mickey has beaten the odds and unexpectedly achieved his "bucket list" dreams of walking his daughter down the aisle and holding his first granddaughter on his lap. On October 18<sup>th</sup> Mickey hosted his fourth annual Last Birthday Party at the Arlington Duplicate Bridge Club, with 13 full tables of his closest friends and bridge buddies in a stratified pairs game. Not only did Mr. Tryon generously spring for the bridge fees, but cash prizes were also offered to the winners of the evening. Flight A was won by Steve & Nancy Kornegay with a 68.1% game, and Melody Gann & Bill White placed second, with Pat Cassidy & Jerry Derby in third. Flight B was won by Jan & Chuck Mogged, with Helen Nelson & Corrine Easley taking second and Dana & Dan Osburn placing third. Joyce Anderson & Connie Booth took the prize for first in Flight C, and Carol Segreti &

**Grace Daddario** took home the Flight C second prize. Great food was provided, and a good time was had by all. We're all rooting for Mickey's success in achieving his next goal - to celebrate his FIFTH annual Last Birthday Party next October.

The Arlington Duplicate Bridge Club also had a great turnout for their Non-Life Master Sectional on August 10 & 11. Congratulations to **Dorothy Moore**, Tournament Chair, and to **Kimberly Newman**, who found partners for lots of players.

Congratulations to **Bruce Mann**, **Margot Hirsch**, **Peter & Diana Clive** for placing first in the Eight is Enough Unit Championship on September 7th – turnout was great, and so was the food.

The Unit 183 Fall Sectional in October saw Nancy and Steve Kornegay tied for the overall point lead. Laura Nash will take a seat on the Board, joining Steve Shirey and Linda Spangler who were both re-elected.

Denton Bridge Studio had a fantastic turnout for their October Non-Life Master Sectional, with 70 tables in play. Congratulation to **Feza**

The South Texas Bridge Association would like to thank all who joined us in our sectional tournament. It was great seeing bridge friends from all over the state. Thanks to our team who assisted in contributing their time, delicious food, and muscle in creating a fantastic weekend. A special thanks goes out to Mary Ross and Martha DeCou for the countless hours used in organizing the event. In addition, Unit 187 would like to thank Russ and Kathe Powers along with the Rockport Bridge Club for their support.

Please join us on Sunday, December 9<sup>th</sup> at 2:00 P.M. for our Unit 187 Christmas Party. It will be a Unit Championship game accompanied by great food, friends, and spirits. We look forward to making wonderful memories with you.

It is with great sadness the South

Texas Bridge Association said farewell to our beloved and cherished friend, Claude Melton. We send our deepest condolences to his wife Ruby, son Carl (Tara), daughter Claudia, and grandchildren Zachary, Chelsie, Rubielle Melton, family and friends.

Many bridge patrons attended his celebration of life and were very moved by the service. Claude Lee Melton contributed to the community throughout his life. After graduating Salutatorian from Powell Point High School, he obtained a bachelor's degree in Chemistry and Mathematics and a master's degree in Education Administration. After graduating, Claude served as an officer of the United States Army during the Korean War.

Claude built a career on teaching students and being a principal for 29 years. In his spare time, he served at his church, was president of the Texas Jazz Festival for 15 years and was also a high and collegiate basketball referee for 27 years. Claude also loved to play duplicate bridge. He always had a smile on his face and was a joy to be around. Claude was filled with kind and encouraging words. His motivating and nurturing

character was truly a very special gift. If you were fortunate to know Claude, you would know and appreciate his humor. When I would see Claude at the bridge table and he saw a grey hair on my head, he would gasp with a shocked look on his face. He'd say "I don't know if you know this, but your hair is turning grey." I would turn my head at him and smile. Because he repeated this to me on numerous occasions with his eyes wide open and same shocked expression, I translated that to him telling me to color my hair. One great characteristics of Claude was he was very vocal, but not loud. He had an effective way of getting things accomplished with grace. There were many attributes that he was blessed with that we can learn from. Claude Melton will be greatly missed by our club and the many people in his life that adored him.

Unit 187 would like to wish all happy and safe holidays. See you at the bridge table.

#### PASSINGS TO NOTE

Harriette Bowles: In August, Harriette Bowles, a longtime Austin bridge player, passed away. She loved playing and was a Silver Life Master. For years Harriette actively participated in unit events and would always volunteer to help when needed. Harriette played well into her 90s and was 99 when she passed away. Friends like Harriette will be missed by all who knew her.

Ruben Ramirez: After a long illness, Ruben Ramirez passed away in September. He was introduced to bridge in 2005 when he was asked to be an interpreter for a native Spanish speaker taking lessons at the bridge club. Once introduced to our favorite game, he really wanted to learn how to play and did achieve Club Master before his passing. Ruben was always willing to help someone when they needed it. I think Scott Humphrey said it best when he wrote "Ruben Ramirez

was a gifted artist, wonderful cook, tender gardener, great homemaker, talented handyman and most of all, a kind, warm and generous human being." There are too few Rubens in the world. He will be missed.

#### **BOLS BRIDGE TIP from Howard** Schenken (USA)

Howard Schenken was a syndicated bridge columnist from New York City. He won three Bermuda Bowl titles, and set several North American records. Most remarkably he won the Life Master Pairs five times, the Spingold twelve, and the Vanderbilt ten times.

His tip came in 2<sup>nd</sup> in the 1975 Bols competition. Take Your Time at Trick One

"When on defence in third position, cultivate the habit of playing slowly to the first trick. Careful thought will help you defeat many more contracts.

We all need to think a little more.

Our game is the best, I think most of of the 160,000 + ACBL members agree. What a great cross section of fun and interesting people. Augie Boehm ended his book Big Deal (2014) with the following: "Hope to become a feared, yet respected, opponent while being a sympathetic and coveted partner. Then you will have achieved something much grander than being a good card player. " want to thank all the District 16 folks who embody and carry on in this fashion, near and far, we know who you are!!

Welcome back to our seasonal bridge clubs in Puerto Vallarta, Mazatlan, and Cabo, and to all of our friends from Canada who are joining us for the winter! It's always great to see you again and enjoy the pleasure of your company at the bridge table.

Supervised bridge at the Lake Chapala DBC is currently scheduled to commence on Wednesday, November 13. For a special treat this year, Barbara Seagram will be visiting Lake Chapala and has agreed to present a few of our Wednesday lessons. Barbara is a Canadian bridge writer, teacher, and administrator. She is the co-author of 26 published bridge books, including "25 Bridge Conven-tions You Should Know," which received the American Bridge Teachers' Association Book of the Year award in 1999. The book has been named one of the top five best-selling bridge books of the last 50 years. What an honor to have her with us!

The Lake Chapala DBC participated in the Inter-Club Championship Game on September 26. Dennis and Linda McGarry were the overall winners with 64.92% (9 tables). That was good enough for 7<sup>th</sup> place overall with over 500 pairs participating. Dagmar Rettberg and Mike Roney finished  $22^{nd}$  overall with 61.62%, while Nicci Beninger and Lane Galloway were 22<sup>nd</sup> overall in B with 57.12%. Good job everyone!

Congratulations to the following

Here are some other pearls from the same book. Be careful of "premature conclusions, both in the bidding and on defense. Bridge is a game of collaboration, and experts constantly try to help each other solve problems." .... "time and again their careful, detailed approach in the bidding carried the day. ... they relied on remorseless accuracy". What a great description of the dominant Blue Team from Italy.

He goes onto caution us on the danger of misunderstandings and suggests being practical in calls that say something simple. "Except for concentration, logic is the most important attribute of a good player ---If this is true, then what must logically "Improving card play follow??" technique to take your tricks is the most important because you use these skills every session, ."

I wanted to end with thanks to all the Unit 204 teachers, dealers, helpers, volunteers, gardners and quiet contributors to local operations. That includes all the defenders and declarers that show us how good bridge is realized.

LCDBC players who scored 70% games in August and September: Dennis and Linda McGarry posted 70.04% on August 27 (91/2 tables). It was Norm Rosenblatt and David Hoogenberg who hit the mark on September 12 with 71.13% (81/2 tables). Good going!

Congratulations also to Neal Hayden of the LCDBC for achieving the rank of Junior Master and Barbara Stephan for becoming a Sectional Master!

In Memoriam. It is with a heavy heart that we remember long-time Lake Chapala resident Joe Reed, who passed away in September. Joe played at the Lake Chapala DBC for many years. Those who played with him can attest that he knew how to be gracious at the bridge table. Joe and his wife had recently returned to live in the States. We wished him farewell then; we wish him Godspeed now on his final journey. He will be missed by his many friends at the Club and in the Lake Chapala area.

We opened September with a Labor Day game on September 2. We had 6 ½ tables, with hamburgers and all the trimmings for our supper. First in A and B were **KC Evans** and **Scott Vaughn**. Tied for 2/3 in A and B were **John Cox** and **Linda Scarpelli**, and **Greg Keys** and **David Hudson**. **John** and **Linda** were also first in C. Fourth in A and B were **Marlene Blumentritt** and **Audie Brooks**.

On Saturday September 14, we had our NAP 2-session game with our usual delicious sandwiches and potato salad from Jojo's restaurant. The seven-table morning game was won by **Charlie Grimes** and **Ann Servatius** N/S and **Deborah Brookins** and **Marilyn Matthews** E/W. The afternoon game and overall game were won by **Deborah Brookins** and **Marilyn Matthews** N/S and by **Paula Baggett** and **LaDoyce Lambert** E/ W.

We enjoyed the visitors passing through Midland who contacted us and came to play a little duplicate. **Barbara Crewes** came to West Texas for a seminar and was able to play one Friday afternoon. **Connie Robertson**, who came to visit her daughter for a month, wanted to play in day games as much as possible—and did! **Bob Brahm** also came on business and wants to play in evening games when he can.

We had one 70% game on August 8<sup>th</sup> by **Deborah Brookins** and **Mike Schlueter**. They scored 73.13%.

remind me of our own changes of life and circumstances. I see a wonderful resilience, an ability to flow with the change, in the lives of my bridge friends. The majority are people of faith, of fortitude with a determination to overcome their challenges, and move forward. I admire them, and they are wonderful examples for me. The ability to navigate through change is an important quality to have as you move through life. Wisdom is gained for sure but you also need to have a mindset that you are going to continue to be of value and have purpose. The decision that you make to get up out of bed, to dress, to have somewhere to go, and that others are looking forward to seeing you can be of tremendous value. We need to be in community with one another. We need to have fellowship. We gain strength through purpose.

The transitions we see in our world

So many of our bridge friends have experienced health issues. We miss them when they are in recovery, have family health issues to deal with, or are no longer able to come play a game of bridge with us. Please know that you are missed, that we value the times we have spent together, and that we care about you - Bernie Lange, Rosemary Barrington, Wanda Gaynor, Joyce Lo, Tuck Harvey, Pat Robinson, Tomie Johnson, Lois Robinson. We are glad that Helen Cash is back safely from her trip to Israel and her special project that she is a part of there.

I also want to recommend a new book called Winning Bridge Tips for New Players, Beginners, and Intermediate Players written by Stephen Page. While our club has many players who are Life Masters we welcome anyone who is trying to learn the game of Duplicate. I can tell you it is not easy to compete successfully with people who have played for 40+ vears. Our club has new players who are trying to transition from party bridge to duplicate, and they need a book like this one that has such simple and easy to understand information about how to bid and play a hand. While every hand you play will be different there are basic conventions and guidelines that will help you become successful at the game. In our own bridge club we congratulate Dee McKinley who recently achieved her Ruby Life Master! What a wonderful accomplishment!

Our Unit 233 Board held its regular meeting in August at the Sul Ross Bridge Club in Waco. Among other things, they solidified the new nominees for the Board: Pat Curry and Sue Blackwell from Waco and Amy Wilson and Jeanette Parsons from Temple Rotating off the board will be Pat Johnson, Pat Kelly, and Carol Ann Wadley (who served two terms as our President.) Be sure to show your gratitude to these friends of ours! The election, as well as the beginning of the new term, will be Sunday, December 8 at the annual Unit Christmas Party at the Cultural Activities Center in Temple. There will be two sessions of bridge starting at 10 AM with a catered lunch in between. People may choose to play both sessions or just one. Please note that the initial date for the party was December 1, but the date has been changed because of a scheduling conflict at the CAC.

We are saddened by the death of Juanita Butler. She had been in declining health for a while, but she stayed involved until just a few weeks ago. Her devoted husband, Roy, helped make it possible for her to play bridge almost until the end. I will always remember seeing Roy helping her out of the car, carrying her oxygen supply, and tending to every need she had---from getting food to adjusting her oxygen. Juanita was President of our unit and o several committees. She began playing in our unit with her wonderful son David until his death. His coping with so many health issues was an inspiration to us all. I recall all of their "special" conventions (always alerted!!!) that were entirely new to me! That's not saying a lot since I am not known for my sophistication in bidding!!! Later in life, we all dubbed certain bids "Juanita Bids" because she was infamous for not letting her opponents have the bid at game level! In other words, if you bid 4 spades--count on Juanita to bid 5 hearts! Besides David and Roy, she was a frequent and successful partner of Asa Waterman.

Stephen Olson, our great friend and Temple Duplicate Club Director, is in a rehab facility in Lampasas for over a month to fight an infection. We are sad and miss him! In the meantime, Belva Barrington is the interim director. Until later notice, the game has been moved to The Bridge Studio. We will be thinking of you, Steve, and sending all good vibes your way. You have many more slams and great defense strategies to bring our way.

So many of you have told me that you no longer are able to read the Scorecard because it is on line rather than in hard copy. If you like, ask your club manager to let me know, and I will forward to them hard copies of my column. That decision, however, does not include all of the Scorecard articles and announcements---and pictures!!! Speaking of pictures, at my request, Bill Parrish sent me the pictures of club members "adorning" (yes!!!) the walls at Sul Ross. I would love to share them with you if you will let me know. I do not think I can include them in my text. (policy---not my inadequacies!!! hmmm,..) I will let you know. Another change in our local ACBL world is the access to the club scores. As of January 1, 2020, ACBL Live will be the only access for players who want to see the local club results. So that we can get used to the new access system, Gene Thompson has already made the transition for The Bridge Studio and Rolling Hills Bridge Club. Go to the ACBL Unit 233 web site and click on the particular club icon at the top of the page. One benefit will be that we can register and receive the scores via email and/or text without having to look up the scores on our own.

We congratulate **Mike Robinson**, who earned his last bit of gold and became a Life Master. The Odessa unit threw him a party.

Beginning bridge lessons started again on September 7.

We hope to have a more exciting fall season!

As I write this we are welcoming cooler temperatures to North Texas. The change of weather helps each of us to take a deep breath and relax, to let go of some of the heated stress of Summer. We are enjoying pumpkins, the break from mowing lawns, and changing colors in our world. We look forward to times to gather with families and friends at meals and seasonal celebrations. The Unit Game Winners for August 11 were Dave Hertzog and Tomie Johnson with a score of 73.81%; Ray Duncan and Mary Knox with a score of 65.18%. The Unit Game Winners for August 25 were Kathleen Brown and Margaret Kirkland with a score of 69.58%; Wanda Hughes and Bennie Young with a score of 64.58%.

The North American Pairs Black and Red Point Leaders for August were Patty Hofer and Judy Lucas with 1.59 black and 1.60 red; Wanda Hughes and Bennie Young with 1.50 Black and 1.50 red; Anne Halsell and Margaret Kirkland with 1.19 black and 1.20 red; Dave Hertzog and Tomie Johnson with 1.12 black and 1.13 red; The Unit Game Wiinners for September 8 were Anne Halsell and Nancy Purcell with a score of 66.67%; Rose Van Meter and Patty Hofer with a score of 63.20%; Wanda Hughes and Dee McKinley with a score of 58.04%.

The Bridge Club ACBL Membership Black Point Leaders for September were Anne Halsell and Margaret Kirkland with 3.19 black; Martha Keller and Marsha May with 2.81 black; Dave Hertzog and Tomie Johnson with 2.39 black; Wanda Hughes and Bennie Young with 2.11 black; and Kathleen Brown and Wanda Hughes with 1.79 black.

The Bridge Club Masterpoint Leaders for September were Dave Hertzog and Tomie Johnson with 5.78 masterpoints; Margaret Kirkland with 5.67 masterpoints; Anne Halsell with 3.93 masteroints; Dee McKinley with 3.71 masterpoints; Martha Keller and Marsha May with 3.01 masterpoints. High Percentage Games for SeptemOne of the most important items at the August board meeting involved when, where, and if the two unit tournaments we have each year should be continued. Because of the many other tournaments being held in District 16, recurring conflicts, and the relatively smaller numbers for Unit 233 tournaments, it is suggested that we have only one a year either in Waco or Temple---preferably at the February date. Please, please talk to your Board members and your club managers to discuss the alternatives and to let your opinion be known.

Big games recently include Ethel and Tom Corlett (70%) at Sul Ross, Wanda Carter and Ann Fulcher (70%) along with Lennie Wilkins and Mary Adams (76%) at The Bridge Studio.

#### In Memoriam

Barbara Williams passed away on Aug. 20th at the home of her daughter in Eustace after a brief illness. She was our director in Gun Barrel for over 10 years and a dear friend to so many. Barbara loved directing, but did get to play with her partners Jo Booth and Rachel Lee when she got a chance. She loved going to tournaments and had attained the Silver Life Master rank. We will truly miss her.

Doris Neathery's 100th Birthday

Thirty-one years ago, with Steve Lawrence's encouragement, Doris Neathery became a director and started her 21 year career with the Mid-Cities Duplicate Bridge Club. The club met in St. Jude's Catholic Church until moving to The Bridge Studio at Cedar Creek in 2003. She ran the Monday and Wednesday morning games until she retired in October 2009 at age 90. She continues to play bridge with her partner Ray Carden. just been young for a long time."

Barbara Bradford & Jo Booth passed the Director's Exam this summer. We are so glad! We can't play this wonderful game of duplicate bridge without directors!

Sandy & Dale Molander are now settled in their new home in a suburb north of Atlanta. They have started playing bridge and Dale has joined the local Rotary Club, so they are set!

Sheila Bell DBC (Texarkana)

The Club held a celebration and farewell party in honor of Betty Abston, a charter club member, on Mon., July 29. Betty is moving to Frisco, TX, to be near family but is not giving up her bridge game!

"We send Betty off with best wishes and a fond farewell as she moves and starts a new chapter in her life," reported Lisa Looney.

The club also recently celebrated Fred Borum's birthday but no one reported on his age. Happy Birthday Fred!

CONGRATULATIONS to Sarah Meredith (SBDBC) - New Life Master!!!

Sarah Meredith (SBDBC) attained the rank of Life Master on September 20, 2019 at a tournament in Tunica MS.

A joint Life Master party will be held for her and Cliff Smith at the Sheila Bell Duplicate Bridge Club on Wednesday, October 20 at 11:30 a.m. Lunch will be served before the award presentation with a game to follow at 12:15

Curtis Bourland received the rank of Bronze Life Master on July 1, 2019

Jeff Brown and Julia Mobley swept the winner category at the Shreveport Top of the Boot Tournament on August 15 and 16.

I am so excited about all of our new players in Texarkana! The Beginner classes Lisa Looney has been teaching have brought in a lot of newbies. In fact, we have so many that we have been able to start a new Novice (0-20 points) game on Wednesdays in addition to our regular game at 12:15 p.m. We run both games at the same time.
