

San Antonio Holiday Regional Monday Bulletin

Welcome to Day 4 of our tournament and thanks for being here. Our next tournament, the **Ed Rawlinson Winter Sectional and District 16 NAP Finals**, will be held in a few weeks time (**Jan. 13-16, 2022**) at the **Drury Plaza Hotel**, not at this hotel – see next page for more information. Unfortunately, the tournament venue was listed incorrectly in the December Bridge Bulletin published by ACBL. Sorry for any confusion.

Convention Card Reminder

reproduced from Austin NABC Daily Bulletin for November 26, 2021

Each player is required to have a convention card filled out legibly and on the table throughout a session. The convention card must include the first and last name of each member of the partnership, and the cards must be identical. Please note that other types of convention cards, such as the WBF convention card or homemade cards that do not sufficiently resemble the ACBL convention card, are not acceptable substitutes.

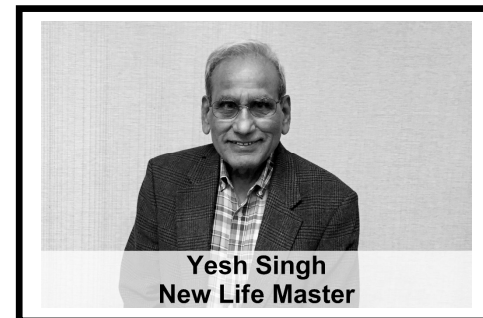

If a director determines that neither player has a substantially completed card, the partnership may play only the Standard American Yellow Card and may use only standard carding. This restriction may be lifted only at the beginning of a subsequent round after convention cards have been properly prepared and approved by the director. Further, the partnership will receive a 1/6-board matchpoint penalty for each board played, commencing with the next round and continuing until the restriction is lifted. In IMP team games, penalties shall be at the discretion of the director.

If the director determines the partnership has at least one substantially completed convention card but has not fully complied with ACBL regulations, the director may give warnings or assign such penalties as he deems to be appropriate under the circumstances.

The objective of these warnings and penalties is the encouragement of full compliance with ACBL regulations.

Marie Bailey

The Intermediate-Newcomer program at all Unit 172 Regionals is named in honor of Marie Bailey.

For many years, the words Marie Bailey and "bridge" were almost synonymous. Marie, owner of Bailey's Bridge Studio over many years and various locations, ran her club and herself on all cylinders. When she wasn't cooking or directing a game, she was on the phone, calling prospects for the next game, setting up partnerships, always projecting beyond the moment. Her style was direct and uncompromising. She could be most charming, but firmly put her foot down when she saw experienced players taking advantage of novices, and would impose sanctions unflinchingly when they were called for. She gave classes for university students, bought a few ACBL memberships for folks she wanted to be sure got hooked on bridge, and promoted bridge in every way she knew how. She regularly served hearty lunches, gave lessons, had singles bridge parties, decorated her studio to a fare-thee-well on any holiday even hinted at, and ran her games with gusto.

In 2005, her sudden, unexpected death at age 61 was a shock to the San Antonio, and Texas, bridge community. A hard act to follow, she is sorely missed by very many of us.

Losing Trick Count

Monday 1:45pm (La Joya Ballroom)

Rosemary Kelley, our Monday speaker, started playing duplicate bridge in 1978. She took advanced lessons from Diane Olson in 1982 and became a Life Master in 1988. Rosemary started teaching bridge in the early 90's and became certified soon after. She took several private groups on bridge cruises in the late 90's and started the Bridge Center of Austin in 2005. Rosemary is now a Platinum Life Master.
