Diane Olson
Open Pairs (Thursday)

There are few San Antonio players whose lives have not been touched by Diane and whose bridge games have not been improved by her teaching. Diane was a Platinum Life Master, holding 10,000 master points when she passed away in May 2022. She was quick to remind us that she had been playing for many years, as if that explained it! Diane taught bridge to many, many students and ran the Tuesday afternoon 299er game for many years. She always made time to mentor novice players and play with intermediate players. Although she was among the superstars in the San Antonio bridge community, Diane was always patient and polite with those at the table. She was highly and affectionately regarded by all. Roxana Proctor Tom
Bracketed Swiss (Thursday)

Roxana Tom was raised in Victoria, Texas and graduated, with honors, from the University of Texas, where she earned a BBA in Accounting. There she met the love of her life, John Lytle Tom Jr. They married soon after college, raised four children, and spent many happy years together in Campbellton, TX.

Roxana ran the financial side of Tom Brothers Ranch and had many adventures with Lytle. They were a great team. She thoroughly enjoyed being active in her community by participating in, serving on, and presiding over numerous boards.

Bridge was Roxana’s all-time favorite game; a game she learned to play at the age of 16 on a train to summer camp. She did not find duplicate bridge until her children were grown and out of the house. A good friend took her to a local duplicate game and the rest was history. She always said it was love at first matchpoint! She enjoyed the bridge community and proudly served on the Unit 172 board for many years, most notably as president.

Roxana will always be remembered as a leader who was fair and responsible with a heart for service. She was genuinely authentic and was always willing to work hard. She may be gone, but she will never be forgotten.

Sue Ohm
Morning Side Pairs (Thursday)

Sue was a keen duplicate player and director for Fiesta Bridge Club. She started and subsequently ran the Tuesday evening and Sunday afternoon games for several years. When Covid-19 hit, Sue stepped up to direct most of the Fiesta virtual games and continued directing them until her death in January 2022. Without Sue, the club might well not have survived the long Covid-19 shutdown. Despite many health problems, Sue was always very positive, kind, and generous of spirit. She was a huge part of the local bridge community.
