So, you think YOU are addicted to bridge ...

Manicure Fad for Bridge Players

AND now comes the bridge manicure — the latest bright idea which adds to the fun of the game for bridge addicts! In this fad, to have your nails properly manicured for a bridge game you must have a heart, a diamond, a spade and a club enameled on each finger nail, and a question mark on the thumbnail for no-trumps. The photo at the right shows Miss Martha Zamm of Los Angeles, originator of the fad, with fingers properly decorated for a game. Symbols are painted in black on the nails.

Miss Martha Zamm, with her finger nails painted with card symbols for bridge.
