

NAP

NORTH AMERICAN PAIRS

Steve Shirey - NAP/GNT Coordinator

It's now time for the 2nd step of the one National Championship that starts in your local clubs. If you qualified in a club this summer, you're entitled to play in the Unit finals. Unit 183 will hold the 1st two of three events Sunday afternoon September 10th at the FW bridge studio. Flight A is open to anyone, Flight C is for Non-Life Masters who also have under 500 masterpoints. The deadline for staying under that limit is your June ACBL bulletin. Both events are TWO sessions, the 1st at 12:30, with a light meal served between, at the Fort Worth Bridge studio. Qualifying lists will be posted on the Unit 183 website, the 1st of many is also attached here. B & C players can play in one Unit final per flight, if they qualified for that flight. So, B players are welcome to practice on 9/10 in Flt A, then come back on October 15th and play in that final. And, C players can return on 10/15 even if they qualify on 9/10. I hope to see a big group out to win some Gold points, and eventually a subsidized trip to the Spring NABC!
