

NOTICE OF SPECIAL MEMBERSHIP MEETING

PROPOSAL TO AMEND THE LEGAL NAME OF UNIT 183

Unit 183 will hold a Special Membership Meeting during the lunch break of the Fort Worth Sectional on Sunday, January 28, 2018 to vote on a proposal to shorten the name of the Unit to "Fort Western Unit 183, Inc."

Currently, the legal name is "Fort Western Duplicate Bridge Unit No. 183, Inc." This name is too long to fit into the computer systems of many institutions that we do business with, including our primary bank. The Board believes that shortening the name will reduce confusion and the resulting delays. This will help us serve you better, so we recommend a vote in favor.

HOW TO VOTE

You may vote at the tournament or in advance. Below is a ballot, which you may print from the Unit website. You may also get a printed one at the Fort Worth Studio, the Arlington Duplicate Bridge Club or the Denton Bridge Studio. These sites will have ballot boxes into which you can drop your ballot.

To complete your ballot, please circle either "IN FAVOR OF" or "AGAINST", sign the ballot, print your name and print your ACBL number. If you have questions, please contact David Pearlman at davidjpearlman@gmail.com.
