May 2025 Q 2 Quarterly Newsletter of the Dallas Bridge Association, Vol. 31 Q 2

## Kathy Carr awarded the 2024 ACBL District 16 Teacher of the Year Finalist

Kathy, a member of Unit 176, was one of the three finalists for the 2024 ACBL District 16 Teacher of the Year. Her journey began in 1975 when she started playing bridge and instantly became a huge fan of the game. In 1985 Kathy and her partner won the ACBL Rookie Grand National Pairs (during the Fall Nationals in Canada). She then won

an Invitational ACBL sanctioned tournament in Ixtapa, Mexico (hosted by the Mexico City Bridge Club) where she played against the top winners of the 1985 Rookie Grand National tournament along with members and pros from Mexico City. By this time, she was hooked on the game and wanted to learn as much as she could about the game.

In 1990 she started teaching bridge at a local Adult Continuing Education program as well as private groups. In 2010, Kathy was asked to be the Marketing Manager of a local bridge club where she earned her ACBL Director Certificate and an ACBL Teaching Certificate. Since 2010, she has been running several duplicate sanctioned games in the Dallas area and teaching beginner, intermediate, and advanced bridge lessons (group and private). Currently, she is a Gold Life Master and is working toward her Sapphire Life Master. Her passion is teaching this wonderful game. You will normally find her in the classroom in the mornings, afternoons, and/or evenings teaching new and existing students.

## A Fond Farewell

The Dallas Bridge Community has sustained a big loss with the departure of **Mike and Lyn Davis**. Mike and Lyn are headed to Georgetown (Sun City), Texas. They had planned to head down to Harlingen, but the floods in the McAllen area and driving that 600 mile drive a couple of times convinced them that Georgetown was far enough! On Monday April 21st, we (20 tables of bridge players) said goodbye to Mike and Lyn with plenty of food and bridge. An excerpt from Mike's thank you note- ***"I want to thank all of you for the wonderful party! Your kind words and good wishes are greatly appreciated. It has been a good time and I have enjoyed all of you immensely. Dallas has one of the nation's best bridge communities and it has been a privilege to be a small part of it"***.

He and Lyn were actually a very significant part of the bridge community here. They have been part of the Hospitality teams for Labor Day Regionals back when we had a hospitality suite. They also headed up hospitality serving meals for a past NABC. Mike and Lyn ran the partnership desk for many years at the Labor Day Regional.

In addition to what they've done for the overall bridge community, Mike stepped in to run Friendly Bridge Club when Sandy Holzweig was not able to manage the club due to Alzheimer's. That is how I first met Mike. At that point Friendly had a couple of games a week over at the Liberty Rec Center in Plano. Dale and I were still working during the day, so even though we lived in Plano, we only got to play when there was a game on a holiday. So, I occasionally ran into him, chatted with him at regionals while he was manning the partnership desk, and over time was able to frequent the Friendly game on occasion. Coming out of the pandemic, I considered myself lucky to be asked by Mike to help.....*continued page 2*

...in the running/managing of Friendly Bridge Club. Jay Gibson had been assisting Mike for a number of years prior to the COVID lockdown, so the three of us came up with a business plan and re-started Friendly Bridge Club on June 6, 2021. Mike really put the "friendly" into Friendly Bridge Club. Jay and I are thrilled to continue the Friendly legacy. **Farewell Mike and Lyn - it has been an absolute pleasure!** *Submitted by Valarie Remmers*

### Random Thoughts

Over prepare, then go with the flow.

Once you hit a certain age, you become permanently unimpressed by a lot of stuff!

Life isn't fair, but it's still good!

### Play on Words ~shared by H P Goel

I have just finished a book on the world's greatest basement—it was a best cellar.

It's my first week working at the cycle factory — they have already made me a spokesperson.

My laptop caught pneumonia—apparently because I left windows open.

If I run in front of a car—I will get tired/but if I run behind it—I will get exhausted.

Ninety percent of bald people still own a comb—they just can't part with it.

What do you call a row of rabbits hopping backwards—a receding hair line.

## How to Stay Young

- \* *The tears happen. Endure, grieve, and move on. The only person who is with us our entire life is ourselves...be alive while you are alive.*
- \* *Surround yourself with what makes you happy such as family, pets, keepsakes, music, plants, hobbies, etc. Your home is your refuge.*
- \* *Don't take guilt trips. Take a trip to the mall, to the Arboretum, to the next county, to a foreign country, but NOT to where the guilt is.*
